

School Council Purpose

Crestomere School Council is a collective association of parents, teachers, staff, community members whose purpose is to advise the principal and the board respecting matters relating to the school as a whole. It is a means for parents and community members to work together with the school to support and enhance learning for all.

What we need to remember.

1. **Respect the confidential nature of some school business.**
2. **Limit discussions at meetings to matters of concern to the school as a whole.**
3. **To keep meetings to a manageable time-frame.**

What we must avoid.

1. **Listening to individual complaints.**
2. **Discussing individual students, parents, and/or staff.**
