We are excited to announce that our school has been selected to receive the Breakfast Club of Canada grant. Starting Monday April 1, we will be offering daily breakfast to all staff and students. Our breakfasts will consist of healthy choice items including fruits, veggies, whole grains, proteins, and healthy fats. Some breakfasts will be ‘grab and go’ styles while others will be more traditional.

If you are interested in helping out with our breakfast program, please contact Mrs. Mueller at the office.

HAPPINESS IS

...cooking with friends and eating together.

Maritime Trip Update

Thank you...to everyone who came out to the parent information night. It is so exciting to be planning such an opportunity for our students. Our trip is planned for September 26 through to October 3 and we will visit many historical sites in Halifax, Annapolis Royal, Saint John, Moncton and Charlottetown.

After a very insightful conversation we decided to offer this trip to all Jr. High students next year. This means that students in grade 6 (next year) are welcome to be part of this experience. Any parent who is interested in learning more about this trip and did not attend the information meeting, can contact Mrs. Mueller at the school office.

While the school cannot fund raise specifically for a small group of students, parents gathered after the meeting to share ideas and map out a plan to assist their children in fund raising efforts. Please reach out to Melissa Stephenson for information regarding fundraising, because, ‘Where there is a will...there is a way!’ We want as many students as possible to be able to afford this opportunity.
Important May dates:

May 2nd - Assembly @ 9:30am
Crazy Hair Day
May 8th - PAT Exam LA Part A
   Gr. 6 & 9
May 9th - Parent Teacher
   Conferences
   Swimming

   Elementary Track
   Meet - Bluffton
May 30th – Grade 9 Farewell

Spring is Coming….
With beautiful weather on its way comes the mud puddles. Please be sure your child has the proper outside attire. Splash pants and rubber boots, and an extra change of clothes are necessary this time of year.

Family Fun Night….
Wednesday April 17th, 6:30-8:30.
We will be playing badminton, dodge ball, wilson-ball, card games, board games and more!
Please email Mr. Hepell if you have any questions.
See you then!

School Council Meeting
Monday, April 29
@ 6:30p.m.

SCHOOL REACH
The Crestomere Cougar Reach Team competed in three tournaments this year and played very well! Cougars' knowledge was put to the test as they faced off against kids from other schools.

Great work Reachers!
BASKETBALL 2018-19

The boys’ basketball team did an excellent job this year and played their final season CWAJHAA games in Lacombe early in March. They played their best games and finished 4th place in the division. Congratulations to this fabulous team.

Middle Row: Jack Steeves, Kadyn Reinbold, Nate Krauss
Front Row: Assistant Captain-Jake Sheppard, Captain- Luke Simanton

The Crestomere Girls’ Basketball team showed marked improvement throughout the 2019 season! Players continued to surpass their previous games in rebounds, assists and steals. The girls, all but two who are new to the team, met the challenge of this steep learning curve with fun and enthusiasm! The team ended the season at the top of the “C” division Wolf Creek Tournament, winning 26-19 against St. Augustine and 24-6 over Terrace Ridge.

Coach, Alyssa Barker, commented, “It was fun to see how far they have come! They really showed how much they have grown.”
ECO TEAM

Spring is coming thanks to the warm double digit days we had over spring break. The daylight is getting longer and the sun has some heat in it. Makes everyone happy! The smell of rich soil waiting to be planted and anticipation of another great year of growing makes everyone excited to get started.

Our Eco Team can't wait to get started! The organizational meeting was held on Wednesday March 28 and it was great to welcome former members and new members to our team.

If you are interested in joining please contact Mrs. Bogath.

Our first field trip was Saturday, March 30 to Pofiang to build bird houses. We enjoyed a wonderful lunch, weiner roast and chili with wonderful sweet treats. Thank you Ponoka Fish and Game for providing us with the materials to build the bird houses and the great lunch! Dale Jess and Christine Frandsen made this a wonderful day that was enjoyed by all.

What's coming up…..

We have started our herbs and hopefully they will be ready to go outside by the end of May. We are hoping to experiment with cold distillation to process some herbs for the oil. We will keep you updated. We have a big project we are beginning to work on for our school and hopefully across the division.

Again stay tuned for more info.

We hope you get outside and shake the cobwebs off!

Happy planning and hoping a great growing year for all,

Mrs. Bogath
Wolf Creek Summer School
Creating Success For All Learners

July 9 - August 7, 2019
Operating out of:
Lacombe Composite High School

Wolf Creek Summer School will be held in Lacombe at our *NEW* Location at Lacombe Composite School.

Classes will run Monday to Thursday each week from 9:00am to 3:00pm. The school will be open half an hour before and after school Monday to Thursday for students to access extra help from teachers.
The future of The Lincoln Hall Society is in Jeopardy

February 26, 2019 was our annual general meeting. We had 6 out of 7 board members, only 5 community members in attendance.

**We require two new board members along with a community patronage. If you live within these boundaries; Range Road 11 to Hwy 53 to Hwy 2 to Aspelund Road and are willing to help us out, PLEASE contact us ASAP. Anyone within these boundaries are welcome to become members of the hall for a yearly fee of only $5.00.

This hall needs revenue to cover expenses. We cannot afford to keep hosting events and losing money and we absolutely need the community support.

We need your interest, suggestions and comments.

To keep this hall active, we need you.

We need your support and attendance for all hall events. If this hall is only going to be a rental building it will end up being sold. We need to keep the hall affordable and busy for all to enjoy.

In the old hall there was a special meeting called in 1998 about the future of the hall. The hall was full of the community and community support!

In 2000 the community decided to build a new hall; the community came together, and we built a new hall. Debt free with money in the bank! As a community we were all such a happy and proud group.

This was a community hall built by the community for the community.

Fast forward 19 years and we have been unable to get people out for any participation or support. When people do come out, they say it was so much fun we should all do it again, however numbers just keep dropping.

This hall needs community support of all ages. We need new blood and fresh ideas. We need to come together as a community and keep this hall from being sold!

Please come to our general meeting ______ April 8, 2019_______

Help us to decide the future of this hall and keep it running with the support of our community!!
WE LOVE OUR VOLUNTEERS!

We want to celebrate our volunteers for their helping hands and community spirit!

Any volunteers in Lacombe County are invited to a FREE Volunteer Appreciation Breakfast:

APRIL 13, 2019
Lincoln Hall
8 a.m. - 11 a.m.

Whether you help at a community hall or sit on the board of directors for a non-profit group, are a 4-H leader, a minor sports coach, or one of the many volunteers who donate their time and skills throughout the year with ANY organization. **We want to say “Thank You” for making Lacombe County a great place!**
PLEASE JOIN US
