## Terry Fox Run

What an awesome day we had. The students started outside with a few stretches under a beautiful Fall sun and then took off running. After a minimum of 5 laps the students were able to enjoy themselves with a bbq hotdog and freezie. Some of our students were with us in spirit as they were on a Cross Country Run in Camrose.

Thanks to the support of community, family students and staff, Crestomere raised \$2407.38 towards cancer research.

Special note to Luke Simanton and Mr. Lewis who ran 30 laps, great work guys.

Way to Go Crestomere!!

Thank you for your understanding.

### **Library News!**

Welcome Back! After a hectic and full September we are fully up and running in the library. Each student is allowed one book out at a time with two allowed during the longer weekends. (some exceptions depending on grade and homeroom teacher) We ask that the students transport their books back and forth to school in a plastic bag, which will protect the books from any moisture from water bottles, wet mittens etc. If a book is accidentally damaged or misplaced, a charge of \$15.50 is required to be paid before your child will be allowed to borrow another book from the library.

We have several new additions to our library already this year and look forward to more in the coming months. Encourage your children to read and re-read their book selections before trying the AR tests especially in the lower grades.

So, **READ** and **LIGHT UP** your imaginations, let's discover the joy of reading and new adventures.

Mrs. Schindel

## Did you know...

Our School Division is committed to keeping its staff and students safe at all time? District and school staff train for and participate in various emergency situations through the HOUR ZERO SCHOOL EMERGENCY PROGRAM. During the month of September Crestomere School is focusing on Fire Drills and Staff Safety Training.

During the month of October, we are focusing on preventing the spread of flu viruses and practicing Hold and Secure safety procedures.

Hold and Secure is a process used to lock all exit/entrance (exterior) doors of the school when there is an emergency situation in close proximity to the school, outside the school on school grounds and/or unrelated to the school. Be sure to ask your child(ren) how our drills are going.

## Wolf Creek Public Schools

August 31, 2019

Dear Parents,

### RE: Fair Notice

The safety of our children is a top priority for us all. We, as a school system, have been involved in intensive safety training and collaboration with our community partners – the police, Alberta Health Services (Mental Health) and Children's Services. Together we have created and signed a community protocol for responding to all situations in which students may be posing a threat to themselves or others.

This letter is to inform you that we, as a school system, adopted policy in January 2003 that mandates schools to have a "zero tolerance" stance for not investigating all threats and threatening behaviours (Admin Procedure 167). The purpose of the investigation/assessment is to determine how best to support high-risk students so that their behaviour does not become hurtful or destructive. Please be assured that if your principal is aware of threatening behaviour, he/she will be taking measures to deal with the situation in a positive and proactive manner. If your principal invites you to a meeting to discuss safety concerns about your own child, please be assured that protocol is being followed and that the goal is safety, not punishment.

This letter is intended to serve our community with **fair notice** that we, as a school community, will not accept "no response" to a threat making behaviour. Our goal is to respond to all threats in a professional manner that provides for a healthy and caring learning environment.

We are proud to be able to provide this level of support to our school communities and are most fortunate to have our community partners at our side.

Sincerely,
