Crestomere School

Principal: Mrs. P. Neufeld

Hello all, and thank you for the warm welcome from the few of you in the school community I know already. I am looking forward to joining Crestomere School next year as the Acting Principal. Although I have only been out to Crestomere a couple of times I do feel some similarity connections to the area and school already. I started teaching at David Thompson High School (located by Condor and Leslieville) which is also in the country beside a highway. I loved the atmosphere of the "country school" and how it takes a whole community to support it. From David Thompson I moved onto West Central High School in Rocky Mountain House. At the two schools I taught PE, Science, Sports Performance and Sports Med and Biology. I was also the Athletic Director at both schools and coached a variety of different sports. From West Central I moved into my current position at Lacombe Composite where I have been an Assistant Principal.

Aside from starting my career in a country school I also grew up on a large cattle ranch in Northern Saskatchewan and completed my primary and secondary schooling in a K-12.

Away from school I am married and have two awesome kids. When not at school I spend much of my time coaching my daughter's ringette and my son's hockey. We also enjoy camping, getting out to the mountains and doing a ton of hiking.

I am very much looking forward to the start of next school year and being back in a small country school! Ms. Neufeld has already shared many of the amazing things that are happening at the school and the variety of educational experiences the students get.

I hope everyone has a great end to the school year, excellent summer and we will see you in the Fall!

Stay safe and healthy,

Mr. Jay Adamson

Kindergarten 2021-2022

We are now taking kindergarten registrations for attendance this fall. If you have a child who will be eligible to attend, Please go to our Website:

crestomere.wolfcreek.ab.ca/registrations

Students must be five years of age before December 31, 2021.
If you know of any parents in our area who do not have children presently attending Crestomere please share the registration information or have them contact the school. Thank you!

June 3: Elementary Track Meet
4: PD Day—No Students
29: Last day of classes

Congratulations Ms. Strachan! You are now a certified teacher. We sure enjoyed having you as a practicum student in our grade 2/3 class! Best wishes!

We sure enjoyed working with students in grades 5-9 who came to play badminton after school.

Sincerely, Coaches Lewis, Harink, Whitbread and Eadie.
