The grade 6 class is proud to present: "SNOWED IN: A Crestomere Christmas Story." The 6s have developed this story from the ground up; they developed the plot, characters, the script - everything!

Just like last year, the concert will be delivered virtually. While it's unfortunate that we can't all fill the gym and enjoy the concert together, this format does come with some advantages as well. Our actors were able to shoot and reshoot scenes, use creative camera techniques, and use technology to edit and add effects. Additionally, you and your family can have multiple viewings throughout the Christmas season!

We are hoping the Crestomere community celebrates the holiday season with us when we release the concert on Dec. 17th, Friday, 6:00pm. Crestomere families, grandparents, communities, and other fans can watch the concert from the comfort of their own homes.

Steps to enjoying the concert:

- 1) Set up your device so you can view the concert (a YouTube link will be sent out prior to 6:00pm)
- 2) Make some cocoa and popcorn
- 3) Cozy up on your couch with the family
- 4) Prepare for laughter and entertainment. Our students have worked their tails off creating this story - enjoy!

Connect to our school community through our:

Family Community Christmas Concert Wishes!

A link will be sent out to upload a short wish from your family to be aired at the end of our concert. A short video greeting from your whole family, or perhaps only the bravest ones, can be submitted to wish others in the community a "Season's Greetings" or "Merry Christmas!" Watch for details coming to you through classroom and school messaging, as well as social media.

Winter Wear

It is **very important** that students come to school with appropriate clothing for weather conditions.

PARKING: Please do not park on the northeast side of the school parking lot. We require extra room for the buses to turn around. We ask that you park on the west side of the building.

Thank you for your understanding.

Thank you to those who have donated to the library in memory of Kari Feldberg. Kari passed away this summer and her family asked for donations to our library. Kari was an EA at Crestomere for many years and one of her many jobs was looking after the library.
